BennBridge ICAV - Global Emerging Markets Equity Fund (the "Fund")

a sub-fund of BennBridge ICAV (the "ICAV")

Class S-USD (ISIN: IE0003F0YVZ4)

The Fund is managed by KBA Consulting Management Limited (the "Manager")

Objectives and Investment Policy

Investment Objective

The Fund aims to achieve long-term capital growth.

Investment Policy

The Fund will seek to achieve its investment objective by investing in equities and/or equity related securities issued by large and mid-capitalisation companies across sectors with emerging market exposure.

The Fund may invest up to 10% of its net assets in equity securities or equity related securities of Russian companies which are listed or traded on the Moscow exchange or on recognised exchanges outside of Russia. The Fund may also have exposure of up to 25% of its net assets to China A Shares through Stock Connect.

The Fund may invest in and/or acquire (through corporate actions of equity holdings) recently issued common and/or preference shares (including Rule 144A securities) and equity-related securities such as depository receipts.

The Fund may also acquire warrants, rights on equities, convertible preference shares and convertible bonds indirectly through corporate actions of equity holdings. The Fund shall not hold convertible contingency bonds.

The Fund may invest indirectly in real property assets exposed to emerging markets achieved by investing in transferable securities issued by listed Real Estate Investment Trusts (REITs) and units or shares in collective investment schemes which provide exposure to property. The Fund may seek exposure to REITs of up to 5% of its net assets.

The portfolio of emerging market equities may also include indirect investment via collective investment schemes, including exchange traded funds (ETFs), which are regulated as UCITS or alternative investment funds (AIFs) and which are eligible for investment by the Fund. No more than 10% of the net assets of the Fund may be invested in other collective investment schemes. The Fund may for ancillary liquidity purposes, hold and invest in cash, bank deposits, money market funds and listed or traded short term paper including treasury bills.

The Fund reserves the right to invest in short-term debt instruments or to hold a substantial amount of uninvested cash for temporary, defensive purposes, during, for example, periods of extreme market stress.

For full details of the Fund's investment objective and policies, refer to the "Investment Objective" and "Investment Policy" sections of the Fund's supplement which is available at <https://www.bennbridge.com>

You can sell your shares or buy more shares each business day (except for the last business day before 25 December each year, Saturdays and Sundays) on which banks in Dublin and London are open for normal banking business. You must submit your application to the Fund's Administrator before 4:30p.m. on the business day before the day you want to sell or buy shares.

Your shares will not pay you a dividend.

The Fund is actively managed and is not managed in reference to a benchmark.

Recommendation: This Fund may not be appropriate for investors who plan to remove their money within 6 years.

Risk and Reward Profile

The Fund is in category 6 because it is invested in emerging markets, and in addition to the stock market risk, it is subject to foreign exchange fluctuations. While the Fund attempts to diversify individual security risk, this risk cannot be eliminated.

The risk category shown is not guaranteed to remain unchanged and may shift over time for various reasons including general market developments and changes, geo-political factors etc. Even the lowest category 1 does not mean a risk free investment.

The Fund offers no guarantee or protection. The following risks may not be adequately captured by the risk and reward indicator:

- Foreign Exposure Risk
- Derivatives Risk;
- Market Risk;
- Currency Risk;
- Operational Risk;
- Concentration Risk; and
- Market Capitalisation Risk.

For a detailed explanation of these and other risk factors, please refer to the section entitled "Risk Factors" in the ICAV's prospectus which is available at <https://www.bennbridge.com>
